Deputy Commissioners office

Dated Hassan 1st June/89

From

P. N. Purnaiya Esqr
Deputy Commissioner
Hassan District

To,

The Chief Secretary to the
Government of Mysore.

Sir,

I have the honor to state that the marginally noted Temples at Halebide require careful looking after to preserve them from damage. Provision is made in the Huzaroy Department for pay of 2 watchmen at Rs 2-8-0 each per mensem. The rate of pay being very low one of the 2 watchmen resigned and his pay was added to that of the other man.

* Hoysaleswara
Kethareswara.
Basthi Temples.

This one individual could

not

not look after the Temples at all times and cannot keep the extensive structure as clean and tidy as could be wished. Therefore it is proposed to engage two watchmen at Rs 4 per mensem - cost amounting to Rs 96/- per annum. If Rs 60 already provided is deducted from this sum, there remains Rs 36 to be provided for. It is proposed to meet this charge by the following arrangement.

By dispensing with the services of Parpathegar who has little or nothing to do when the office falls vacant it may not be filled up.	Annual 14-8-0.	
From the Surplus Fund of the District.		21-8-0
		36-0-0

Pending sanction of this proposal, the Assistant has been directed

directed to entertain 2 watchmen at Rs 4 each per mensem and pay them out of management funds. For the present, however, till the Parpathé fair fray may become available, the whole of 36 Rs has to be met from surplus in the management funds.

The above proposal is also in furtherance of the wish of Government conveyed in D. P. W. Secretary's letter No. 60 of 11th May 1888, copy of which is enclosed for needful reference. Taluk Amildar's report No. 1300 is also submitted. A separate communication will be made on receipt of Amildar's report with regard to the arrangements &c. for the preservation of Eeswara Temple at Chitkul.

Out of this one Kavalgar at Rs 4-15-6 was being maintained to watch the temple and the remainder was being used for Paditteria till 1888.

2. In 1888 the Amildar recommended that the Paditteria was unnecessary as no Puje was performed and that a Competent Kavalgar may be maintained to watch the temple only.

for the watch and preservation
of the Siva temple at Arsikere

Letter No 428/S Of 5th January

Sir,

Adverting to Government Proceedings No. 468-9/19 dated 29th July 1892, I have the honor to submit herewith for Sanction and forwardal to the Comptroller for Audit a bill for Rs 19-11-0 being the amount of pay of the watcher attached to the Virupakshesvara Temple at Aseikere from 5th May to 30th September 1893

The amount has to be met from the Sum of Rs(21109-8-4) being the Unexpended General Surplus Funds now available at the Credit of the District as per Treasury Certificate attached.

2. I beg further to bring to notice that in the absence of proper arrangement for the regular disbursement of the pay of the watchers great inconvenience is felt in procuring the services of individuals especially in a place like Arsikere which is growing an important station, where demand for labour is very high. I beg therefore to solicit orders for the disbursement of the pay of the watchers from the 1st day of October 1893 in the Arsikere Taluk Treasury on a bill drawn by

by the Auditor quoting the Act of the Government order of reference and debiting the same to the Insane General Surplus Fund of the District. —

Murrai Secretary's office

Dated Bangalore, 16th July 1895.

From,

The Murrai Secretary
to the Government

To

The Chief Engineer
of Mysore.

Sir,

The temple of Virupaksheswara at Arsikere is one of the Institutions noticed in the list of the "objects of antiquarian interest" prepared by the Public Works Department, and considered by Government as worthy of special conservation on account of its sculptural and architectural importance.

2. The temple does not receive any State grant and is therefore not under Murrai management. But

however, when in the year 1892, the Deputy Commissioner of Hassan District represented to Government in the Muzrai Department, that a watchman was urgently required to take care of the temple building, the entertainment of one on a monthly salary of Rs 5/- was sanctioned as a temporary measure, the charge being ordered to be met from the Muzrai Surplus Funds then available at the credit of the District.

3. As the temple itself, is as stated above, not a muzrai Institution, I am now directed by the Dewan to request that you will be so good as to instruct the Executive Engineer of Hassan Division to take charge of the building and to employ a care-taker out of Public Works Funds.

I have the honor to be
Sir
Your most obedient servant

Secretary.
